THUNDER STORM CAUSES A PANIC

Reading, Pa., May 20.—At the height of a terrific thunder storm a lightning bolt struck the main feed wire at the House of Good Shepherd here, throwing the 600 girl inmates into a panic.

Although the girls were badly frightened the sisters remained cool and finally succeeded in calming them, marching them from the building in an orderly manner.

Nearly a score of girls were on the verge of hysteria and several were prostrated after leaving the building.

The entire electric wiring system was permanently disabled.

PETRIFIED MAN FOUND

Beckley, West Va., May 20.—Coal miners digging in a mine of the East Gulf Coal Company, unearthed the body of a petrified man.

The fossil is a perfect specimen of the human body and apparently that of a white man.

The petrified man was found several hundred feet below the surface and in a spot where, so far as is known, no white man had ever before been. Former owners of the land could give no explanation of the body's presence.

The fossil was placed on exhibition in the office of the coal company with the hope that some clue might be obtained to the man's identity.

DANCE IN RICH GOWNS

New York, May 20.—The appropriate Dress Club held its first dance tonight.

There was an exhibition dance by twelve young women, wearing gowns not exceeding in cost \$6.

The club is an organization of young women who study economical and artistic ways of making their own clothes.

NOTICE TO WATER USERS

State Engineer's Office, Salt Lake City, Utah, May 11, 1916.

Notice is hereby given that Joseph A. West, whose post office address is Ogden, Utah, has made application in accordance with the requirements of the Compiled Laws of Utah, 1907, as amended by the Session Laws of Utah, 1909, 1911 and 1915, to appropriate twenty (20) cubic feet of water per second from the Blacksmith Fork river, Cache County, Utah.

Said water will be diverted at a point which bears south 81 degrees 20 minutes east 13,339.5 feet from the northwest corner of the northeast quarter of section 11, township 10 north, range 1 east, Salt Lake base and meridian, and conveyed by means of a pipe line for a distance of 14,903 feet and there used from January 1 to December 31, inclusive, of each year, to irrigate 2000 acres of land embraced in sections 2, 3, 10 and 11, township 10 north, range 1 east, and section 34, township 11 north, range 1 east, Salt Lake base and meridian. This application is designated in the State Engineer's office as No. 6683.

All protests against the granting of said application, stating the reasons therefor, must be made by affidavit in duplicate, accompanied by a fee of \$2.50 and filed in this office within thirty (30) days after the completion of the publication of this notice.

W. D. BEERS, State Engineer.

NOTICE OF INTENTION TO TAX

Notice is hereby given by the Board of City Commissioners of Logan City, Utah, of the intention of said Board and said City to make, build and construct the following improvements to-wit:

To lay and construct two strips of seven inch reinforced concrete pave-

ment, upon, across, and along Main street, in said city, from the north side of First South street on the north, to the bridge across Logan river on the south, as follows:

Beginning at the outer edge of the gutter on the east side of said street and extending outward seven and one half feet, and beginning at the outer edge of the gutter on the west side of said street and extending outward twenty-two and one half feet upon such portions of said street as are occupied by the Ogden, Logan & Idaho Railway Company, with single railroad tracks, and extending outward from said gutter seven and one half feet where the said railway company occupies said street with a double track.

To lay and construct a concrete curb sixteen inches high, and a concrete gutter thirty inches wide, along and upon each side of the above mentioned portion of said Main street, the curb lines to be situated thirty feet from the property lines on each side of said street, and to remove the trees now situated upon the space between the new curb line and the old sidewalk line and to park all of said space.

To lay and construct a four inch concrete sidewalk pavement from the present concrete walks to the new curbs at all street intersections, thereby connecting the former sidewalk pavement with the new concrete curbs and crossings and to build and construct bridges and culverts in connection with all waterways including a bridge over the Thatcher Mill Race crossing the said Main street from property line to property line.

To install two concrete posts with suitable cast iron or steel light pedestals placed thereon, on Main street, at the curb line intersections on the south side of First South street, and to do any and all things necessary and incidental to the making and construction of the aforesaid improvements, all of the said work being undertaken, and to be done and performed in connection with the laying of two strips of concrete pavement fourteen feet wide the entire length of said portion of said street by the State road commission of the State of Utah, and the paving of all of that portion of the said street between the rails and tracks, and for a distance of two feet outside the outside rail or the tracks of the Ogden, Logan & Idaho Railway Company, by said company the whole of said work to be done and performed so that when complete will constitute one entire improvement across said street all of which is more definitely and clearly defined and shown upon a blue print or sketch marked "Street Paving District Number Four," on file in the office of the City Recorder of said city, and to pay the cost of the portion of the work to be done by Logan City, as hereinbefore stated as follows to-wit:

That portion of the cost of said improvement consisting of intersections, out of the general fund of Logan City, and to defray and pay the balance of the total cost of said street paving, parking, curb and gutter construction, sidewalk extensions, bridges and all other work incidental thereto, estimated at twenty-two thousand six hundred dollars, by local assessment upon the lots, blocks and pieces of ground affected and benefited by said improvement, all of said territory to constitute Paving District Number Four, to-wit:

Lots 1 2 3 4 5 6 and 7, block 5 and that part of block 5 north of the north branch of Logan river; lots 1, 2, 3, 4, 5 and 6, block 4, and west 18 rods of that part of block 4 north of the north branch of Logan river; lots 2, 3, 4, and 5, block 3; lots 1, 2, 3, 4, 5, and 6, block 2; the east 10 rods of block 7, lots 2, 3, 4 and 5 block 2; also beginning at a point 4 rods south from the southwest corner block 3, and running thence east 10 rods; thence south 2 rods; thence west 10 rods; thence north 2 rods, to place of beginning; also beginning at a point 4 rods south from the southeast corner of block 6, thence south 2 rods; thence west 10 rods; thence north 2 rods; thence east 10 rods to point of beginning; also beginning at a point 4 rods south from the southeast corner of block 7, thence south 1020 feet; thence west 10 rods; thence north 1020 feet; thence east 10 rods to point of beginning; also beginning at a point 4 rods south from the southwest corner of block 2, and running thence south 920 feet; thence east 10 rods; thence north 920 feet; thence west 10 rods, to place of beginning, all being in Plat "D" Logan City Survey, also lot 2, block 2 and that part of lot 1, block 3, lying south of First South street, all in Plat "A," Logan City Survey.

That said assessment shall be made payable in ten annual installments, and all protests and objections to the making of said improvement and carrying out of the intention of said Board and said city as hereinbefore specifically set forth shall be presented in writing and filed with the City Recorder of Logan City, Utah, on or before the 25th day of May, 1916, at 7 o'clock p. m. at which time the Board of Commissioners of said city will meet and hear any and all such objections as may be duly presented or made and filed with the said City Recorder as provided by law.
